An Evening with Susan Blood

Join us at the gallery for a conversation with writer Susan Blood, author of the new book *Hermit*.

Susan is an Arts Foundation of Cape Cod Written Word Fellow whose essays and criticism have appeared in *The Christian Science Monitor*, *The Magazine of Yoga*, *Bachtrack* and other publications. She is also the creator and host of WOMR's *Opera Betty: opera for people who hate opera* and Director of Institutional Giving at the Fine Arts Work Center in Provincetown.

Join us for a lively conversation about *Hermit*, writing, creativity, Cape Cod — and the unexpected places a good conversation can lead.
